PROMOTION FOR DR. GARDINER

One of the Best Appointments Gov. Willson Has Ever Made.

TO BOARD OF CONTROL.

Experienced in Every Branch of Asylum Work and Control.

Stanley Milward, Republican, of Lexington, tendered his resignation to Gov. Willson Monday as a member of the State Board of Control of Charitable Institutions to take effect May 1, which was accepted.

Gov. Willson immediately appointed as his successor, Dr. T. W. Gardiner, of Madisonville, now Superintendent of the Western Asylum for the Insane at Hopkinsville.

Dr. Gardiner's appointment has brought forth much favorable comment. He is serving his second term as superintendent, having been appointed first by Gov. Bradley, and he is recognized as a thoroughly up-to-date asylum man, whose experience specially fits him for the work. His experience goes still further back, as he was a physician at Lakeland when that institution was opened in 1873.

Dr. Gardiner is an expert on diseases of the brain, and is well qualified to fill the position. He will take up his duties as a member of the board as soon as he can get his affairs straightened out at the asylum.

lam.

The vacancy created by his resignation presents an opportunity for the appointment of a Democrat as his successor. Practically all of the officials at the Western Asylum are now Republicans, some first class and experienced men having been turned off by the first non-partisan board to make way for them. Judge Wells and Judge Wall should see to it this time that the Democratic party gets a square deal in the division of patronage.

GOOD MAN GONE.

Death of R. S. Carter, Much Esteemed Citizen.

Robert S. Carter, an aged and much esteemed citizen, died Monday night at his home on East Seventeenth street. He was 72 years old and had been in declining health for a year or more.

Mr. Carter moved to the city from the Bennettstown neighborhood some years ago and had since been engaged in the tobacco business.

He is survived by his wife and two children.

The deceased was a member of the Cumberland Presbyterian church. His funeral services were held yesterday afternoon at the church and the interment took place in Riverside cemetery.

DOUBLE BILL AT BETHEL COLLEGE

Young Ladies Will Present Two Plays To-morrow Night.

FOR CAMPUS COPING.

Enjoyable Evening in Store For Those Who Attend At College.

An entertainment will be given by the young ladies of Bethel Female College Friday night for the purpose of raising funds to build a concrete coping in front of the college campus. The program will consist of two plays, with musical numbers throughout the evening.

The first play will be "Maidens All Forlorn" with the following cast:

Maude Meredith, Eula Jameson; Elizabeth Lyndon, Louise Eager; Bertha Bauisdale, Kitty Bogard; Louisa Marston, Julia Henry; Mrs. Maloney, Hugh Miller; Jocelyn Denby, M. D., E. C. Bacon.

The second play will be "The Mouse Trap" by William Dean Howells, the characters as follows: Mrs. Somers, Hugh Miller; Mr. Campbell, John Cate; Jane, Cordelia Moore; Mrs. Miller, Allie Coleman; Mrs. Curwen, Mary Lee Moss; Mrs. Bemis, Kitty Bogard; Mrs. Roberts, Eula Jameson.

The musical features will consist of vocal solo by Miss Gertrude Gary, piano solo by Miss Joe Carr, and vocal duet by Misses Cullen and Eager.

The price of admission will be 35 cents.

The cause is a worthy one as the college fence is in a dilapidated condition and must be replaced by a wall as soon as the funds are available. The young ladies promise an excellent entertainment and they should have a crowded house.

CLARKSVILLE CASES

May Go to United States Supreme Court.

Two cases coming up from Clarksville, Tenn., and recently decided by the Supreme Court of Tennessee,

may be taken to the Supreme Court of the United States. The suits are those of John Herning vs. the State, and M. J. Branigan vs. the State. Counsel for these two men will in the near future make application to one of the Justices of the Supreme Court of the United States sitting at Washington, D. C., asking for an appeal in the nature of an error.

The petitioners will claim that the sales were made by sellers in Kentucky and the consignees in Tennessee, and that such sales were interstate commerce.

The Supreme Court held that the contracts were Tennessee contracts, as the whisky in each instance had been personally solicited in Tennessee, and the sentences as to Herning and Branigan were duly affirmed.—Banner.

largely governs the consumption of coal; but, other things being equal, coal as we supply it requires less draft, because it gives off more heat in proportion to the weight of the coal than 90 per cent. of the fuel offered. We can prove this on the fair trial of a single ton. Order direct from us.
